To,

Shri Ashok Singhal
Hon'ble Cabinet Minister
Health & Family Welfare and Irrigation Department, Assam

Sub: Enhancement of the superannuation age of Medical Officer (Ayur).

Respected Sir,

Ayurveda is the oldest surviving medical system in the world with historical roots in the Indian subcontinent. It is heavily practiced throughout India where as much as 80% of the population report using Ayurveda.

Sir, you are aware that the acceptance of Ayurvedic medicine is increasing daily, and our Hon'ble Prime Minister Shri Narendra Modi ji also endorsing the time-tested Vedic Healing Practice for the management of different ailments of mankind.

Globally, there has been a significant increase in awareness of preventive healthcare, especially during the pandemic, proving the herbal medicines & nutraceuticals sector to be a strong economic partner. The Ayurvedic Market is undergoing tremendous growth owing to the rising awareness among the population due to its wellness efficacy. Moreover, expanding medical tourism is also contributing to boosting the growth of the market.

With due respect, we would like to inform you that the Ayurvedic doctors of Assam are playing a major role in health care management. Ayurvedic doctors in rural areas are providing good quality service taking a major role in the healthcare delivery system, including emergency and labour room activities. They have also fully engaged in the COVID-19 pandemic.

As an honour and safeguard to the Indian System of Medicine (Ayurveda), the undersigned, on behalf of the Ayurvedic Medical Organization (AMO), Assam, requests your honour to enhance the superannuation age of RMOs/Medical Officers (Ayur) working under the state health department.

The Ayurvedic Doctors of the state will be grateful to you for this act of kindness.

With Best Regards-

(Dr. Arabinda Das)
